### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The primary reason for allowance is the claim limitation that the predetermined number of distance measuring routines is set so the integration capacitor from the initial voltage level substantially reaches a saturation voltage level of the integration capacitor, when the object is located at a short-range alarm position.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Information Disclosure Statement***

2. Although the Information Disclosure Statement (IDS) filed June 9, 2004 refers to a form PTO-1449 included with the statement, the examiner is not able to find such a form in the electronic file wrapper. The documents found in the electronic file wrapper of the IDS have been listed on the attached form PTO-892 and have been considered. Those documents are Japanese Patent document no. 5-28093 and an English Abstract of Japanese Patent No. JP5280973.
